ISSUED TO

Sub: **Rate Contract for providing manpower assistance for 2010-11**
I To carry out various operational works and
II For overhauling and off season maintenance works at Off-site 6
– Kachirayapalayam, Villupuram Dt.

Tenders are hereby invited for the subject work as per the following terms and conditions.

Envisaged period of contract shall be from **01/10/2010 to 30/09/2011**.

The scope of work and other terms & conditions shall be as per Annexure-I & III.

Tender schedule will be in two parts viz., **NON-PRICE BID & BUDGETARY PRICE BID and FIRM PRICE BID IN A SEALED COVER** in two separate envelopes, both to be submitted together.

FIRM PRICE BID should be sent in the tender cover, which is enclosed, herewith properly sealed and submit along with NON-PRICE BID & BUDGETARY PRICE BID in a separate cover. Please write clearly on the top of the cover whether "FIRM PRICE BID" or "NON-PRICE BID" & "BUDGETARY PRICE BID". Both the covers containing FIRM PRICE BID and NON-PRICE BID & BUDGETARY PRICE BID are to be put in one sealed cover superscripting the tender No. and due date and addressed to Technical Outsourcing Dept., Tamil Nadu Newsprint and Papers Limited, Kagithapuram, Karur Dt – 639 136.

CONDITIONS TO THE TENDERER TO QUALIFY FOR PARTICIPATING IN REVERSE AUCTION:

- The tenderers shall submit the following in Non-Price Bid
- Copies of documentary evidence for experience in carrying out works by engaging suitable manual workforce for a value not less than **Rs 5 lakh** against single order in any reputed concerns/ Government organizations. Necessary proof to this effect such as copies of work order/contract and invoices with payment receipts shall be submitted along with the tender, failing which, the tender is liable for rejection at the discretion of TNPL.
 - Earnest Money Deposit (EMD) for a value of Rs 80,000/- in the form of Demand Draft in favour of "TAMIL NADU NEWSPRINT AND PAPERS LIMITED" drawn on any of the Nationalized Banks, payable at KARUR. Alternatively an unconditional bank guarantee for a like amount issued by a bank acceptable to TNPL as per Proforma enclosed as Appendix-I shall be submitted in the Non-Price Bid. The Bank Guarantee shall be valid for 90 days beyond the validity of the tender.

- Budgetary Price Bid (Annexure - II A) in a separate cover.
- Firm Price Bid (Annexure - II B) in a separate sealed cover.

Note: Tenders received not complying with the above qualifying conditions will be rejected and will not be eligible for participating in E-Procurement (Reverse Auction).

Once tender is submitted, tenderer cannot withdraw. In case tenderer withdraws from tender on any day for any reason after submitting tender, EMD submitted shall be forfeited without any prejudice.

Tenderer shall submit budgetary quote with individual item rate and total value of the tender. Reverse Auction will be conducted only with the total value of tender for which "Opening Value of Tender" and "Minimum Bid Decrement Rate" will be decided by TNPL.

After submitting the tender, tenderer will not be permitted to make changes to the unit rate for individual items indicated in their budgetary quote. Unit rates indicated by bidders in their budgetary quote will be taken as reference to apply percentage variation (based on total value of tender) for individual item rates of the L1 Bidder emerged through Reverse Auction.

Both NON-PRICE BID and BUDGETARY PRICE BID shall not be opened in the presence of tenderer's representatives. TNPL shall follow E-Procurement (Reverse Auction). Only those who qualify in Non-Price Bid and also submitted Budgetary Price Bid will be considered for Reverse Auction. Method and period of Reverse Auction will be communicated in advance to the qualified bidders to facilitate them to participate in Reverse Auction. TNPL will not be responsible for postal or any other delay and reserves the right to reject any or all the tenders at its own discretion.

Opening Value of tender, Minimum Bid Decrement Rate, Date of Auction and Time of auction will be informed to the qualified Bidder for participating in Reverse Auction. Qualified Bidder may log on to our Website (www.tnpltenders.com www.tnpl.com) and participate in the Reverse Auction. In case of any problem, please contact AGM (TOS) at 9442591357 or 04324-277266, Fax:04324-277265.

After "Reverse Auction", the "Firm Price Bid" of the qualified bidders shall be opened in the presence of interested bidders / their authorized representatives. The lowest of the two, viz., "Reverse Auction" and "Sealed Firm Price Bid" only will be considered for further action towards award of the contract. In this regard, TNPL's decision shall be final and binding.

The offers of tenderers who do not satisfy the terms and conditions are liable for rejection and in such case, the EMD submitted if any, shall be returned, interest free, to the unsuccessful tenderers.

Tenderers who have downloaded tender document through TNPL website should submit a non-refundable tender fee by way of separate DD for Rs 500/- drawn in favour of TNPL payable at Karur in the Non-Price Bid failing which tender will not be considered.

TNPL will not entertain any request for adjusting the EMD from the tenderer's due / running bills or from the EMD / security deposit of any other tender participated by the tenderer.

For successful tenderer, EMD submitted in the form of Demand Draft shall be converted into security deposit. In case EMD submitted in the form of Bank Guarantee, the successful tenderer shall submit security deposit in the form of Demand Draft, immediately upon accepting the order. Security deposit shall not bear any interest. Security deposit will be discharged upon fulfillment of all contractual obligations.

EMD shall be returned, interest free, to the unsuccessful tenderers within three months from the date of opening of Non-Price Bid & Budgetary Price Bid.

TNPL shall not be responsible for any delay/loss in transit or non-receipt of tender document.

TNPL reserves the right to

- split the quantum / items of work and award the contract to one or more tenderers.
- reject any or all tenders in part or in full without assigning any reason therefor.
- reject the lowest quotation or any quotation at its own discretion and TNPL is not bound to accept the lowest quotation.
- waive any tender condition at its own discretion.

Before submitting the tender, tenderers are advised to visit the site at Kagithapuram / Kachirayapalayam and contact

- Concerned Engineer-in-charge to understand the nature of work involved and
- Human Resources Department (HR) to understand the prevailing Labour Rules in TNPL.

Tender consisting of both NON-PRICED BID (Annexure-I A), BUDGETARY PRICED BID (Annexure – II A) and “FIRM PRICE BID” (Annexure-II B) in a sealed cover is deemed for submission in the Technical Outsourcing Dept. not later than 3.00 PM of **09/08/2010**.

The job involves regular cleaning of boilers, cleaning of boiler house and surroundings, maintenance of plant and auxiliaries in each shift, miscellaneous jobs in ash handling system, cleaning of spillage of ash around ash conveyors, diversion of ash discharged from the boilers in the event of any stoppage of ash conveyors and clearing the same from the area as and when required, monitoring the boiler feed water quality, proper chemical dosing into the feed water by engaging a qualified chemist and also operation and maintenance of cooling water supply system.

1.2 Coal handling system including weigh bridge and front end loader operation

The job involves feeding of coal/any other fuel from the yard into the hopper of the conveyors and maintaining sufficient bunker stock of coal for operating the boilers, segregation of lump size coal from the coal feeding hopper screen, operation and upkeep of front end loader, cleaning of any spillage around coal conveyors and operation of weigh bridge and maintenance of proper records for coal, bagasse and ash at the weigh bridge.

1.3 Bagasse handling system including depither, compactors and front end loader operation

The job involves upkeep of entire bagasse handling system, cleaning of bagasse spillage etc., operation and maintenance of depither, conveyors and bagasse compactors and also Front End Loaders.

SCOPE OF WORK-II

The scope of work shall be providing necessary skilled/ unskilled manpower for carrying out housekeeping, maintenance and overhauling of our various installations at the above site and supervise as per the instructions of the Engineer-in-charge. The job also involves regular cleaning of boilers, cleaning of boiler house and surroundings.

1.4 Material supplied by TNPL

TNPL shall provide front-end loaders for coal handling operation. The loaders shall be utilized judiciously and at no time the loaders are to be used for transfer of any other material from one place to another.

The required diesel and lubricants for these equipments shall be issued to the tenderer free of charge. However, the tenderer has to maintain a logbook for each vehicle and the same shall be countersigned by Engineer-in-charge for having used the fuels and lubricants exclusively for these equipments.

Tenderer shall carry out periodical servicing of TNPL's Equipments such as but not limited to water washing, tyre inflating, radiator cleaning and other minor rectification works. Major breakdowns, if any shall be attended by TNPL.

If any of the equipments of TNPL is damaged due to maloperation by the tenderer/ tenderer's workmen, the cost of rectification for such damages shall be debited to the tenderer's account.

1.5 **Material and Manpower supply by Tenderer**

Tenderer shall provide necessary operator/driver for operating the front-end loaders.

The operators employed shall be competent and experienced and shall possess heavy duty driving license.

TNPL Engineer shall at his discretion, after ascertaining the fact that the particular driver is incompetent to operate this costly equipment, may disqualify the driver and the tenderer shall terminate the services of the driver. All the operators/drivers shall be tested prior to operating the equipments and only those found competent by the Engineer-in-charge shall be allowed to operate.

The necessary manpower and other tools like shovels, baskets etc for cleaning the conveyors and the yard shall be arranged by the tenderer.

1.6 **Working time and Maintenance of records**

The scope of work envisaged under this contract shall be carried out round the clock.

In case of any breakdown or a planned shutdown of the plant, the tenderer shall be informed accordingly and it is the responsibility of the tenderer to plan his manpower and resources accordingly. TNPL shall not pay any idle charge for the tenderer's work force under such circumstances.

Tenderer is expected to maintain logbook for all the vehicles issued to him and this book shall be the property of TNPL. Tenderer shall also maintain field order book for recording instruction given from time to time. Field order book shall be countersigned by Engineer-in-charge at regular interval.

Tenderer at his expenditure shall keep his representative to maintain all statutory records and collect the instructions from the Engineer-in-charge. As per the work demand, the tenderer has to increase/decrease the manpower for all categories of work. The Engineer-in-charge is the sole authority for deciding the requirement and his instructions/ decisions shall be final and binding on the tenderer.

If the Engineer-in-charge is not satisfied with the performance of the tenderer and in the event of tenderer's failure to come up to the expectation of TNPL, the Engineer-in-charge is empowered to take corrective action which includes to get the work done through some other agency, to prevent stoppage of the plant due to failure of the tenderer and the cost thus incurred shall be debited to the tenderer's account.

2 Tentative manpower requirement shall be as below:

Category	Sugar season	Off season Maintenance	Total Mandays
W.B. Assistant	450	60	510
Lab Assistant	450	40	490

Unskilled labour	7,500	3,600	11,100
Total	10,200	4,470	14,670

The requirement of manpower mentioned above is only indicative and may vary on either side. However, TNPL shall not give guarantee for any minimum requirement of manpower.

3 PAYMENT TERMS

Tenderer shall raise running bills **once in a Month** and the same shall be duly certified by the Engineer-in-charge. Payment shall be effected as follows:

- 3.1 90% of the certified bill value shall be released within 15 days from the date of receipt of certified bills at Accounts department.
- 3.2 10% shall be withheld as retention money and released on satisfactory completion of the contract.

4 VALIDITY OF THE CONTRACT

SCOPE OF WORK-I

The Boiler operation period shall be from the commencement of Sugar season tentatively from 18/10/2010 to 31/03/2011. Depending upon the bagasse procurement schedule/crop position, TNPL may operate the site throughout the season

or may delay the commencement of the Off-site operation or short close the operation. The number of boilers to be operated shall also depend on the bagasse procurement plan. Hence manpower shall be engaged depending upon the work demand only and the Tenderer will be paid on the actual.

SCOPE OF WORK-II

The tentative maintenance period shall be from 01/04/2011 to 30/09/2011. However, TNPL may also postpone the commencement of the maintenance work or the period may be extended or short closed on the existing terms and conditions depending upon the maintenance work involved.

During maintenance period the manpower shall be engaged depending upon the work demand.

During the tenure of the contract if the Tenderer's performance is found unsatisfactory, TNPL reserves the right to terminate the contract without any prejudice by giving a notice of 15 days. In case of such termination, the security deposit of Rs 80,000/- shall be forfeited.

5 OTHER TERMS & CONDITIONS

- 5.1 Apart from the scope of work, any other job necessitated in the operation and maintenance of the plant shall also be carried out by the Tenderer as directed by our Engineer-in-charge.
- 5.2 After award of contract to the successful tenderer (contractor), if the contractor withdraws from the work on a later date during the contract period for any reason, security deposit submitted by the contractor shall be forfeited without any prejudice, besides the contractor will not be considered for any future tenders in TNPL for a minimum period of 3 years.
- 5.3 TNPL reserves the right to terminate the contract at any time and make alternate arrangements at tenderer's risk and cost, in the event of his failure to mobilize the adequate labour and discharge duties as per tender conditions. Tenderer is not eligible to claim any compensation on this account.
- 5.4 Tenderer shall quote the rates against each item after thoroughly assessing the quantum/nature of work. The rates quoted by him shall remain firm and fixed without any escalation.
